F.U.A. Picnic Fri., June 10

Plans are progressing for the F.U.A. picnic to be held at the Pembina River picnic site on Farmers' Day, June 10th. All farm people, whether F.U.A. members or not, are invited to attend and enjoy the outing.

To reach the picnic site, drive seven miles straight West of Drayton Valley and then watch for signs to follow to the picnic grounds.

Baseball Schedule Halted By Last Week's Weather

The constant inclement weather has put a damper on activities in our Men's Softball and Minor Baseball leagues.

During the week from May 29th to June 4th, no baseball was played and only two games were played in the men's league. Pembina Meter edged the Catholic Church 15 - 13 in the rain last Tuesday evening and on Thursday, Pan American played Pembina Meter to a 5-5 tie under similar conditions. Consequently there has been very little change in

league standings since last week's report.

Now that the sunny skies are with us once more we will continue on with the regular schedule and hope to pick up the rained out games in both leagues as time goes on.

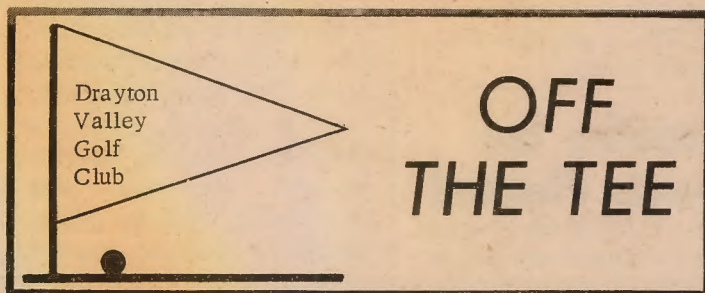

In respect to the Pee-Wee Baseball schedule, the Legion Diamond has been disbanded since the schedule was drawn up and therefore all games must be played elsewhere. In all cases, except where there is a conflict in schedule, these games will be played at the South diamond in the Lions West Valley Recreation Park.

All Pee Wee Baseball players are requested to be on hand for every scheduled game involving their team. If a player cannot be present for a scheduled game he should phone his coach and let him know that he will be absent and give him the reason for his absence. Also, every effort should be made to be on time for the game. Often a ball diamond has two scheduled games for one evening and if the first game is late starting the whole evening's schedule is thrown off.

A PeeWee Baseball Tournament is planned for July 1st involving all five local teams. Definite plans for this tournament have not been finalized as yet.

Tournament action at the first tee.

Percy Wells captured the Socony Mobil Trophy on Sunday afternoon in the Drayton Valley Open Tournament. This was the second consecutive year the Edson golfer has taken top honors at our local tournament. Bowing out to

Wells in the final match was Ken Gillis, a local golfer who although in only his second year of golfing, proved to be tough competition for the more experienced Wells. Earlier in the tournament Ken defeated Rex Burrows who took the Esso tournament two weeks ago, and until his defeat had to be considered a threat in this tournament.

Entry forms for the First Drayton Valley Oilmen's Golf Tournament are now available and already entries are coming in from various points throughout the province. The prize list for the tournament is one of the best you could find and is sure to draw good golfers as well as duffers from many miles away. Ken Gillis who made such a good showing in the Open last Sunday has got to be considered a favorite to win the Oilmen's on June 25th and 26th.

A concentrated effort is being made to have the new Club House opened by June 25th. The concrete pad outside the building has been completed and within a week one will see a big change in the building.

Any golfers who have not paid their 1966 membership fees are asked to either contact Lloyd MacLean or Howard Ganske. These men will be trying to complete the membership list during the next few days, and they need your name to do so. Your 1966

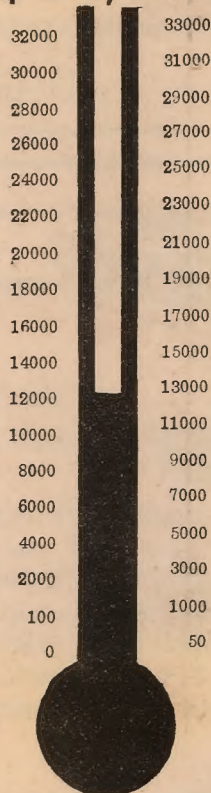

fees can be paid at the golf course if you wish. The person in the starters building will be glad to give you a receipt and the club will be glad to have one more member.

Don't forget Saturday, June 11th is the date of the first Junior Golf Tournament in Drayton Valley.

OPEN HOUSE

Open house in honor of Mr. and Mrs. Gordon L. Brown's 50th wedding anniversary will be held on Saturday, June 11th between 1:00 and 4:00 p.m. at 14008 - 82 Ave, Edmonton

Farm Leader Urges Uniform Oil Payments

A uniform scale of compensation for use of farm land by oil companies has been called for by Farmers' Union of Alberta president, Paul Babey.

Last week the area around Drayton Valley was toured by Mr. Babey and Wilf Plosz, Editor of the F.U.A. paper. News media were represented by George Rife of the Edmonton Journal, Al Rose, C.B.C. and C.B.C. cameramen, Leo McKinnon and Nick Zubko.

Mr. Babey said many of the problems facing the farmers could have been avoided.

Mr. Babey also said he would like to see farmers given more notice than the required seven days before an oil company can move onto his land.

The Alberta Landowners Association has been attempting to get greater compensation for farmers from oil companies, and Mr. Babey indicated the FUA may support their demands.

A joint meeting of the F.U.A. and Alberta Landowners Association will be held in Drayton Valley at a later date. Mr. Babey will be the guest speaker at the meeting.

Project Bid Date Extended

In order to give additional time for local contractors to submit bids or sub bids on the proposed Centennial Civic Center the date for receipt of tenders has been extended from June 10th, 1966 to June 17th, 1966. Tenders are now called for 4:00 p.m. M.S.T. June 17, 1966 at the Drayton Valley Town Hall.

Cancer Society Memorial Fund

Mrs. Rose Oliver of the Canadian Cancer Society in Edmonton has asked Mrs. R. S. McLean of Drayton Valley to be in charge of the Cancer Memorial Fund for Drayton Valley and district. The society hopes this service will help the people who wish to make a donation in memory of their loved one, friend or neighbor.

For further information phone Mrs. R. S. McLean at 542-3531 or write Box 575, Drayton Valley.

Klondike Inn Events Planned

The Klondike Inn (Drayton Valley Curling Club) will be the scene of many hilarious events during the evenings of the 15th and 16th of July, prizes will be awarded to the best beards. The judging is to be done by some lovely ladies. Blindfolded, they will judge strictly by feel only. This will eliminate any favorites who may be in the crowd. Selections will be made during the evening to the best dressed klondike couple, the best dressed lady and the best dressed man in klondike fashions.

Tickets for the event go on sale today. Signs will be posted down town to advise the public of the outlets. Tickets will be limited to adults and to 250 couples each evening.

The 1st Drayton Valley Ranger Company is shown above taken at the Mother and Daughter banquet last Thursday evening. From left to right, front row: Carol Rempel; Valerie Wilner; Carol Kruger. 2nd row: Mrs W. Hammerlindl; Sylvia Dion; Louise Waddell; Bonnie Heyland; Sister

Florence. 3rd row: Bonnie McGaughey; Frances Meraw; Barbara Rasco; Margaret Hammerlindl. The following girls were enrolled as Rangers: Valerie Wilner; Carol Kruger; Bonnie McGaughey; Frances Meraw and Margaret Hammerlindl.

FERTILIZER FOR CULTIVATED GRASSES

High rates of nitrogen fertilizer produce profitable hay yields on cultivated grasses in the dark brown soil zone, says A. D. Smith of the Lethbridge Research Station. It means a change of thinking is needed about fertilizer rates for increasing yields on dryland in the dark brown soil zone.

A test was conducted on an old brome, creeping red fescue hay field that was producing less than a ton of hay over a three year period. It had once contained alfalfa but this had long since died out.

Nitrogen was applied at rates from zero to 800 pounds per acre. It has had a residual effect on the yields since the fertilizer was applied three years ago and Mr. Smith expects the effects will still show up next year.

Hay yields over the three year period increased up to the 480 pounds of nitrogen per acre rate and tended to level off there. The most economical increases in yield were obtained from nitrogen applied at 100 pounds per acre. Over the three year period this gave a hay yield of two and three-quarter tons per acre. Nitrogen at 450 pounds per acre gave yields of seven and one-half tons per acre over the three year period. This was still an economical increase in yield valuing hay at \$15.00 per ton, says Mr. Smith.

The cultivated species respond differently to fertilizer he says. The fescue was killed out when the nitrogen rate got as high as 400 pounds per acre. The brome grass was not damaged even at the high rates. Earlier work indicated that native grasses also respond differently to fertilizer applications.

Results so far indicate a great potential for the use of high rates of fertilizer on tame dryland pastures on the

dark brown soils he says. It could be useful to farmers and ranchers who are sometimes reluctant to break up old stands of grass because of the expense and the difficulty in establishing new stands.

Feeding problems may show up when fertilizer is used at high rates but work continues on this aspect of the problem, says Mr. Smith.

CANADA'S CENTURY

A news background special on the Centennial of Confederation

Nationhood First, Independence Later

(Fifth Of A Series)

By WALT McDAYTER

Canada achieved nationhood in 1867, but it was many years before she achieved complete independence.

With Confederation, Canada gained almost total control over her own internal development, but Britain allowed her almost no independence in external affairs.

Canada's relations with foreign countries, in trade and diplomacy, remained entirely dependent on policy framed in England. Further, Britain retained the right to disallow any legislation passed in the new nation, and without Canada's consent, could pass laws that would be binding on her people.

But the growth of Canada into a totally sovereign state, with the right to control her own destiny in all spheres, was inevitable.

The first step toward freedom in foreign affairs was taken by John A. Macdonald in 1871. He

was appointed as one of the British delegates to Washington, to discuss grievances caused by the Civil War. For the first time, a Canadian was allowed to present the Canadian case at an international conference. Unfortunately, though it was presented, it was pretty much ignored.

It was in 1897 that Canada for the first time proved she had a will of her own, and that the youthful offspring had grown independent enough to resist the pressure of even her imperial motherland. At the Colonial Conference in London, Colonial Secretary Joseph Chamberlain proposed that the entire Empire be unified under a single central government. Prime Minister Wilfrid Laurier would have none of it. Realizing this would spell an end to Canadian political autonomy, he led a revolt against this idea, and the proposal died stillborn.

During the Boer War, Laurier shocked the usually unshockable British by declaring that although Canada was automatically at war at the same time as the mother country, it was up to the Dominion to decide how much she would contribute. Robert Borden in World War I went one step further, contending that since Canada was contributing to the war, her government must be kept informed on war policy. It turned out that Canada was not only kept informed, but by being represented on the Imperial War Cabinet, actually played a part in forming the policy.

After the war, our stature grew greater in the eyes of the world when our own delegation signed the peace treaty at Versailles, at Canada's insistence. In addition, we insisted on admittance as an individual member to the League of Nations.

When Canada and the United

States signed the Halibut Treaty of 1923, the British Ambassador to Washington was peeved to learn that he would not be allowed to sign this treaty on behalf of the British government. Canada maintained this was purely of Canadian concern.

The greatest landmark of all on the road to independence came in 1931, with the passing of the Statute of Westminster. By this act, Britain lost the power to disallow Canadian legislation, and could no longer enact laws which would be binding on Canada.

There were additional gains: in 1947, for the first time we were able to call ourselves "Canadian Citizens", and not just British subjects; in 1949, our federal parliament gained the power to amend our constitution over federal matters; and that same year the Supreme Court of Canada became the final court of appeal, replacing the British Privy Council.

Today, Canada stands tall with the other free nations of the world. She has been a separate member nation since the United Nations was founded in 1945, and in 1948 held a seat in the Security Council. In 1952 a Canadian was elected president of the General Assembly.

Then, in 1965, after much fuss and furor, Canada obtained a flag of her own. Just a small thing... yet it symbolized the fact that Canada has at long last become a nation with an identity all her own.

Couple Wed In Tomahawk

Tomahawk Lutheran Church was the scene of a lovely spring wedding at 2:30 p.m. Saturday, May 14th when Ruth Carol, daughter of Mr. and Mrs. Herman Dusterhoft and Alan James, son of Mr. and Mrs. Robert Disney were united in marriage. The Reverend Roland Meyle officiated at the double ring ceremony and Mrs. Rudolf Dusterhoft was organist.

Given in marriage by her mother and father the bride looked beautiful in a floor-length gown of white organza over taffeta and featuring a front panel of French imported lace and lily point sleeves. The back was accentuated by a detachable chapel length train of silk organza trimmed with matching lace. Her shoulder length bouffant veil was held in place by a crystal beaded tiara. A matching crystal choker lent a final touch to the bride's ensemble. Her bouquet consisted of cascade red roses with rosebud streamers.

The maid-of-honor, Miss Joanne McLean wore a coral floor-length gown featuring a back panel with lace overlay.

The bridesmaids were, Miss Linda Dusterhoft, Miss Darlene Leskie, and Miss Linda Shaw who wore identical gowns of mint green.

The bride's tiny sister, Julianne looked very sweet in a matching coral dress with a short gathered skirt and puffed sleeves.

The bride's attendants carried white roses.

The groom's attendants were Bill and Dave Disney, brothers of the groom, Alvin Dusterhoft, cousin of the bride and Ron Meiers.

The ushers were Mr. Paul Dusterhoft, uncle of the bride and Mr. Don Disney, brother of the groom.

For her daughter's wedding Mrs. Dusterhoft chose a dusty blue two-piece dress trimmed with Venetian lace. White accessories and a pink rose corsage completed her outfit.

The groom's mother wore a jade green imported lace, two piece ensemble with antique gold accessories. She wore a pink rosebud corsage.

The reception at the Tomahawk Community Hall was attended by 135 guests. The bride's table featured a three-tiered wedding cake. The toast to the bride was proposed by Mr. Les Wall. Toastmaster for the evening

was Dr. Stu Cameron.

Two hundred and fifty guests attended an enjoyable evening of dancing followed by a delicious buffet supper at 10 o'clock.

Following a honeymoon to

Calgary the couple returned to make their home in Drayton Valley.

Out of town guests were from Whitecourt, Edmonton, Calgary, Kimberly, B.C. and Drayton Valley, Alberta.

Cooking Magic

Barbecue days are here again. It's time to throw away your fussy kitchen apron, don a white barbecue apron with a chef's hat and treat the family to good outdoor meals. Nothing beats the taste of food any food, cooked out of doors. You can put a whole meal on the barbecue, then sit back, relax and enjoy the evening. Here are a few recipes for barbecuing prepared by Northwestern Utilities Limited.

BARBECUED SPARERIBS

2, 4 1/3 oz. cans (1 cup) strained peaches (baby food)
1/3 cup catsup
1/3 cup vinegar
2 cloves garlic, minced
2 tsp. ginger
2 tbsp. soy sauce
1/2 cup brown sugar

1 tsp. salt
dash pepper
4 lbs. meaty spareribs

Steam ribs over boiling water for 1 1/2 hours. Mix all ingredients except ribs, marinate ribs cut in 10 inch strips in sauce for 1 hour. Place on oiled grill and barbecue, brushing frequently with marinade and turning. Cut in serving pieces. Ribs can be threaded on rotisserie. Serves 4.

GRILLED PEPPER STEAK

1 chuck steak 1 1/2 inches thick
2 tsp. meat tenderizer
1/4 tsp. garlic powder
1-2 tsp. coarse ground pepper
4 tbsp. olive oil, more if desired
2 tsp. salt

Edmonton Church Wedding Scene

On May 7th in St. David's Anglican Church, Edmonton, Father Sayer performed a double ring ceremony uniting in marriage, Doreen, youngest daughter of Mr. and Mrs. Axel Erickson of Boyle and David, eldest son of Mr. and Mrs. Howard Gilbert of Tomahawk.

The bride entered the church on the arm of her father looking lovely in a white peau de soie floor-length gown embroidered in seed pearls with a bow in the back from which a train extended. Her veil of tulle was shoulder length and she carried a cascade bouquet of pink roses. Matron of Honor was the bride's sister, Mrs. Helen Kolodychuk, who wore pale blue. Her short dress was of rayon organza over rayon taffeta and she carried

pale pink carnations. Her daughter, Laurie was flower girl in white with blue accessories and carried a basket of pink carnations. Robin Leippi cousin of the groom was ring bearer.

John Gilbert, brother of the groom was Best Man. Ushers were Frank Fellows and Gary Dunkle.

Mrs. Erickson, mother of the bride, wore a navy blue three-piece suit with white accessories and white rosebuds corsage. Mrs. Gilbert mother of the groom, wore a coral red three-piece suit with white accessories and white rosebuds corsage.

A reception for over a hundred guests was held at the Beverly Crest Motor Hotel with Jack Geldart as Master of Ceremonies and Father Sayer saying grace. Mr. Muter pro-

posed the toast to the bride, which the groom ably acknowledged.

Out-of-town guests were from Tomahawk, Drayton Valley, Boyle, Berrymoor, Calmar, Thorsby, Leduc, Stony Plain and Swift Current, Saskatchewan.

The bride changed to a pink suit with white accessories for travelling. The happy couple left for a honeymoon in the Central States. They will reside in Edmonton.

Cont. from Page 5

First sprinkle the chuck with meat tenderizer on both sides and rub it into the meat, after piercing both sides very well with a fork. Do the same thing, successively, with garlic powder and pepper. Allow the meat to marinate for at least 2 hours. Broil to desired doneness. Serve.

LEMON CHICKEN

First of all marinate the chicken pieces in lemon sauce for 4 to 6 hours.

Lemon Barbecue Sauce

1 small clove garlic
1/2 tsp. salt
1/4 cup oil
1/2 cup lemon juice
2 tbsp. grated onion
1/2 tsp. black pepper
1/2 tsp. dried thyme
Mash garlic clove with salt

in bowl. Stir in remaining ingredients (if possible, allow sauce to stand at least 1 hour to blend flavors). Makes 3/4 cup.

Then in old fashioned toaster arrange chicken pieces. In a fan shaped pattern lay one slice of onion, sprig of parsley and a lemon slice on each piece of chicken. Close the toaster and the chicken will be ready for the barbecue. Plan to cook the chicken one hour. Turn it every 15 minutes and brush with remaining marinade. In the broiler the chicken will take 30 to 40 minutes.

Annual Banquet Held Thursday

The annual Mother and Daughter banquet of the Brownies, Guides and Rangers was held on June 2nd in the Elk's Hall.

A delicious cold plate dinner was supplied by the mothers of the girls.

There are approximately 50 Brownies, 35 Guides and 10 Rangers in the D.V. movement and great enthusiasm is shown by the good turn out.

Mistress of Ceremonies for the evening was Mrs. Patty Tomaszewski Guide Captain.

Our thanks to our guest speakers, Miss Betty Martin, Provincial Guidance Counsellor and Mrs. Kit Gilbert, Captain 2nd Edmonton Rangers.

Miss Martin spoke on the importance of the Guiding movement and world-wide association and Mrs. Gilbert spoke on Rangering, the peak of achievement in the Guide movement.

Mrs. Mary Schuman, local association president spoke of the many achievements made this year by the local movement.

She expressed the gratitude of the mothers for the wonderful work of the leaders with their daughters and gave a report on the work of the local association.

She presented spoons to

Special Legislative Committee On School Centralization

In accordance with a Resolution of the Legislative Assembly of Alberta, passed on April 15th, 1966, a Special Committee, consisting of the following Members of the Assembly:

R.B. Lamothe (Chairman)
A. Aloisio M. Senych
E.P. Benoit M. Maccagno

has been appointed for the purpose of enquiring into and receiving representations and recommendations as to:

1. The interest and concern of the public with respect to the centralization of schools,
2. The educational opportunities presently being offered in elementary and secondary schools, and
3. The problem of centralization and consolidation in the rural areas and smaller cities with particular reference to vocational high schools.

The Committee invites the submission of Briefs by all interested parties, particularly local level branches of the Alberta Teachers Association, Alberta School Trustees' Association, Home and School Association, Farmers Union of Alberta, Farm Women's Union of Alberta, Chambers of Commerce, school and municipal authorities, religious organizations and all other interested individuals or associations.

Seven copies of each Brief should be forwarded to the Committee not later than July 15th, 1966, after which time public meetings will be held in various centres of the Province to hear representations in support of the Briefs submitted.

Address Briefs and correspondence to:

The Secretary,
Legislative Committee on
School Centralization,

The WAKE HELICOPTER is easiest to learn from a wrapped position.

The wrap motion must be done quickly otherwise an off centre pull will result making the manoeuvre difficult. Slacken the towline by pulling the line sharply forward. Quickly pull the handle into the waist while reaching around your back with one hand. Grasp the handle with the hand behind your back, and with the other hand grasp the towline forward of the body to centre the pull force. Putting a float at this point makes a more comfortable hand hold.

Do not wrap the line too far around the body. The handle is held at waist level at the side of the body.

Life insurance now can save money for young marrieds

Ask any independent financial counsellor. With few exceptions they'll advise life insurance as one of the first steps towards financial security. For young people it's generally the only way to create instant and substantial capital to replace earning power. And the younger you are when you buy, the lower the premiums.

You'll save money in another way too, if you buy cash value life insurance. This contains a living cash benefit that grows through the magic of compound interest. Your policy cash value can be used to finance a college education in the future or to add to a retirement income. In the meantime it's available to you in an emergency, or for a business opportunity. For example, it's about the best loan collateral you can have. "Do you own any life insurance?", is one of the first questions your bank manager will ask.

How do you fit life insurance into your budget? It's easier today than ever. Manufacturers Life's Manu-Matic Cheque Plan will provide for an automatic monthly deduction from your bank account and free you from budgeting worries. Ask the Man from Manufacturers to tell you more. You'll like his friendly and competent approach to your life insurance problems.

LEFT HAND IS KEY
TO ACCURACY

The left hand plays a decisive role in determining the direction that shots will fly.

I suggest that you grip the club so that the back of your left hand points down the target line (No. 1).

Then during your swing concentrate on returning your left hand to

this same position—pointing down the target line—when you strike the ball (2).

If your clubface is properly aligned at address, and if your grip does not loosen during your swing, returning your left hand to its original position should give you proper clubhead position during impact. Straighter shots will result.

EVANSBURG NEWS

Mrs. Bruner, Correspondent

Well after all this moisture that has fallen, the farmers' crops ought to come along nicely. The gardens should do well, too.

At any rate the weather was near perfect for the Cubs' rally which was held on the 28th and written up in last week's paper. Our 1st Pembina Valley Cubs did well for themselves winning the following ribbons: First in bowline relay (knot tying) and first in wheel barrow racing. Second ribbons were won in message relay and tug of war. Of the pack, twenty seven boys attended. It was very gratifying to see several of the parents there to watch their boys in action.

The Village Chamber of Commerce held their regular meeting last week. Matters discussed of interest to the district was the fact that we now have a blacksmith in the village again. The new blacksmith shop is located where the former Walter's Sales and Service was.

Repairs were being made to the high school and changes were made in some of the classrooms. At the elementary school, the playground has been leveled and fixed up.

Mr. and Mrs. Milt Jevne of St. Paul were visiting at the home of Mr. and Mrs. Froland Mrs. Jevne's parents. Mr. and Mrs. Jevne brought some of the boys from the St. Paul Cub Pack who were visitors at the rally. The rest of the boys were brought by their Cubmaster, Mr. L. Overacker and all had a wonderful time sleeping in an old house in lieu of a tent.

Sympathy of the district goes to Mrs. Zeiglar on the death of her husband recently.

A couple of district boys are in hospital as a result of an accident. Best wishes for recovery go to Stevie Lamaroux and Bruce Frykberg.

This fall's beginners in Grade One attended a three-day clinic at the school last week. As a result, all old grade one hands and grade two pupils had a holiday. Our beginner had a wonderful time and really enjoyed himself.

We see Mrs. Grant going around the village counting noses these days. Be sure you stand up and be counted, too, for Canada.

How does your garden grow folks? Ours is coming up nicely after the rain.

We hope Debbie Burki is feeling better.

WHITBY NEWS

The Whitby Community Bingo was a huge success, thanks to Elsie Dusterhoft and a few able helpers. Next Bingo is June 17th.

The tickets were drawn for the easy chair and the two blankets, the chair going to Mrs. B. Urchyshyn, the blankets to Mrs. Jean Cherington and Mr. Jack Teurin. Congratulations folks on your good luck.

Whitby is planning a picnic for June 26th - everybody welcome.

The farmers here had about completed seeding operations, just in time to catch the much needed rain. We can sit back with our fingers crossed and watch things grow now.

Best wishes go to Shirley Norton and Betty Godun who will finish high school this term. May the future hold many exciting challenges, girls.

The Lauer's have been horse trading again, first with Earl

Kelly, a black mare for a golden palomino, then on to Bruce Whitelaw, who I hear didn't keep the palomino either.

The Earl Kellys found their way to Jack Cowards at Easyford recently and found Jack hobbling around with a sore foot, he had stepped on a spike. Hope your foot is better by now Jack. Freida was rushing off to Bluffton where she teaches school this year.

There's a little black Volks-wagon running around here these days -- another boy has found his wings.

Our old timers are moving out and new neighbors moving in. First Gus and Hilda Dusterhoft sold out; then Isadore Godun; and now I hear Burnie and Ada Reich have their farm for sale.

The South-end F.U.A. meeting was held at the home of Mr. and Mrs. Earl Seibles on June 3rd. A nice crowd attended, plans were laid for the farmers day picnic on June 10th at Tomahawk, and

All Saints WA Meet

The regular monthly meeting of All Saints W.A. was held June 21st with eleven members present.

Mrs. Burrows led the worship period and Mrs. Ingram gave the missionary report on the Diocese in Namorambe.

The annual parish picnic will be held on Sunday, June 12th.

During July and August the W.A. will not be catering due to so many members being away on holidays.

Mrs. Wills and Mrs. Williams served lunch.

Seat belts in your car may save your life -- if you use them. No matter how short a distance you drive, be sure that your safety belt is properly fastened. Insist that your passengers, child and adult, wear the seat belts provided.

Miss Leona Kruger is shown above presenting Mr. Ray Wickens with a \$100 cheque for the Centennial Fund on behalf of Frank Maddock High School.

Monthly CWL Meeting

The regular C.W.L. meeting was held on June 6th at St. Anthony's School. The meeting was opened with the recitation of the Rosary and League Prayer. Twenty-one members and Father Lynch were present.

The C.W.L. will hold a bake sale the 2nd Saturday in September. The money raised will be given to the Centennial Fund.

There will be a social evening on June 29th at St. Anthony's School Auditorium. This will consist of a pot luck supper and awards will be given to the best student in each grade.

The C.W.L. mass will be held on June 17th, the Feast

of the Sacred Heart.

Films were shown on sex education by Mrs. Orleux. Elaine Horne spiritual conve-nor read a very informative pamphlet on sex education. Anyone wishing a copy can order one.

The meeting was closed with the league prayer followed by coffee and lunch.

Prepare For Show

The Royal Auroras, Drayton Valley's Can-Can line-up for the Klondike festivities, has commenced practising under the able direction of Mrs. S. Moore.

This year the girls will have new costumes due to the kindness of the B.P.O.E. and O.O.R.P. who financed the attire jointly.

Once again the group has Mrs. Braybrook as pianist and practise is held three times per week.

Mid-July (the 15th) is the date for Klondike Kampers Karnival and by then the girls hope to have perfected several routines and will try to do their utmost to make this year's show the biggest and best yet.
